APPRECIATIVE INQUIRY AS A PROCESS FOR DEMOCRATIC COCURRICULAR PARTNERSHIP DEVELOPMENT

**Problem of Practice Research**

- Community engagement professional can be in an institution
- Student affairs perspective not faculty-led

**Strategizing and Assessing Partnerships**

- Practice is different for everyone
- Alignment
  - Democratic engagement
  - Carnegie classification
- Process
  - Everyone has a voice
  - Mutual benefit

**Appreciative Inquiry**

- Work in clusters
- Staff/faculty, students, community
- 1 from every stakeholder group
- Participatory action research groups
- Guided discussion with prompts

**Outreach**

- What's out there?
  - Partnership frameworks
  - Qualities of partnerships

**Old Community Engagement Mentality**

- Fix it
  - Curricular, co-curricular, extra-curricular

**Positive Lens**
